an add one more or take away one less game

You will need: 1 game board (A3), a bone number line for each player, lots of multilink cubes (or similar), dice or spinner, coloured counters

Instructions: Each player starts by putting 5 cubes on their bone line (representing 5 bones) when they land on Hairy Maclary they add on one but when they land on Scarface Claw they take one away. There are other instructions on spaces throughout the game. The person with the most cubes when all have finished is the winner.
