

What's on the Beach?

A Collecting Game

www.communication4all.co.uk

What's on the Beach?

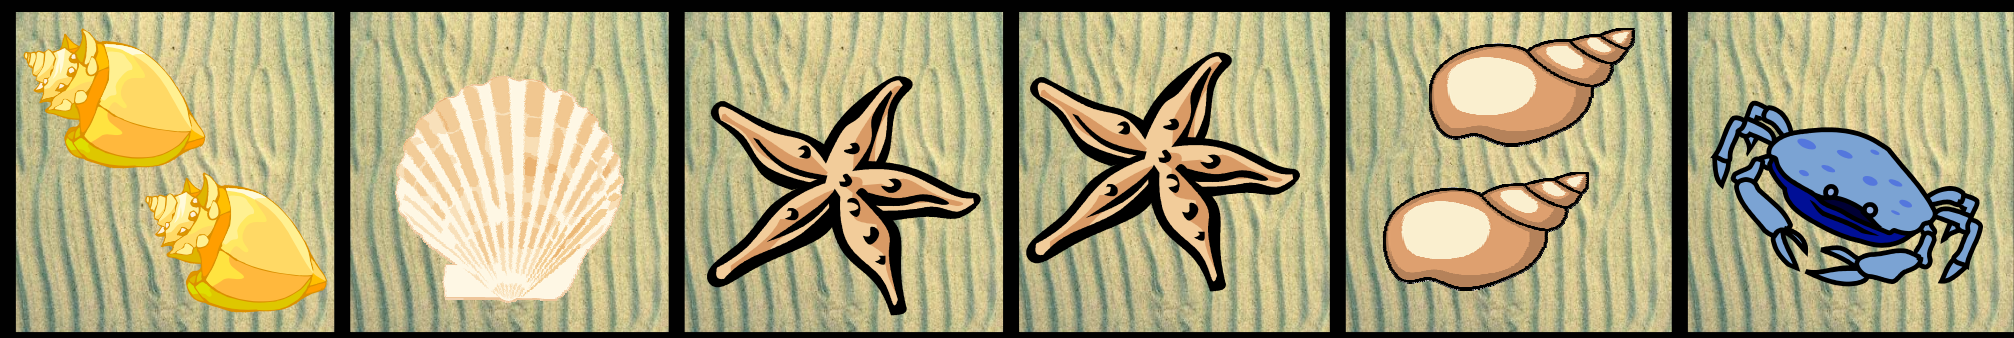

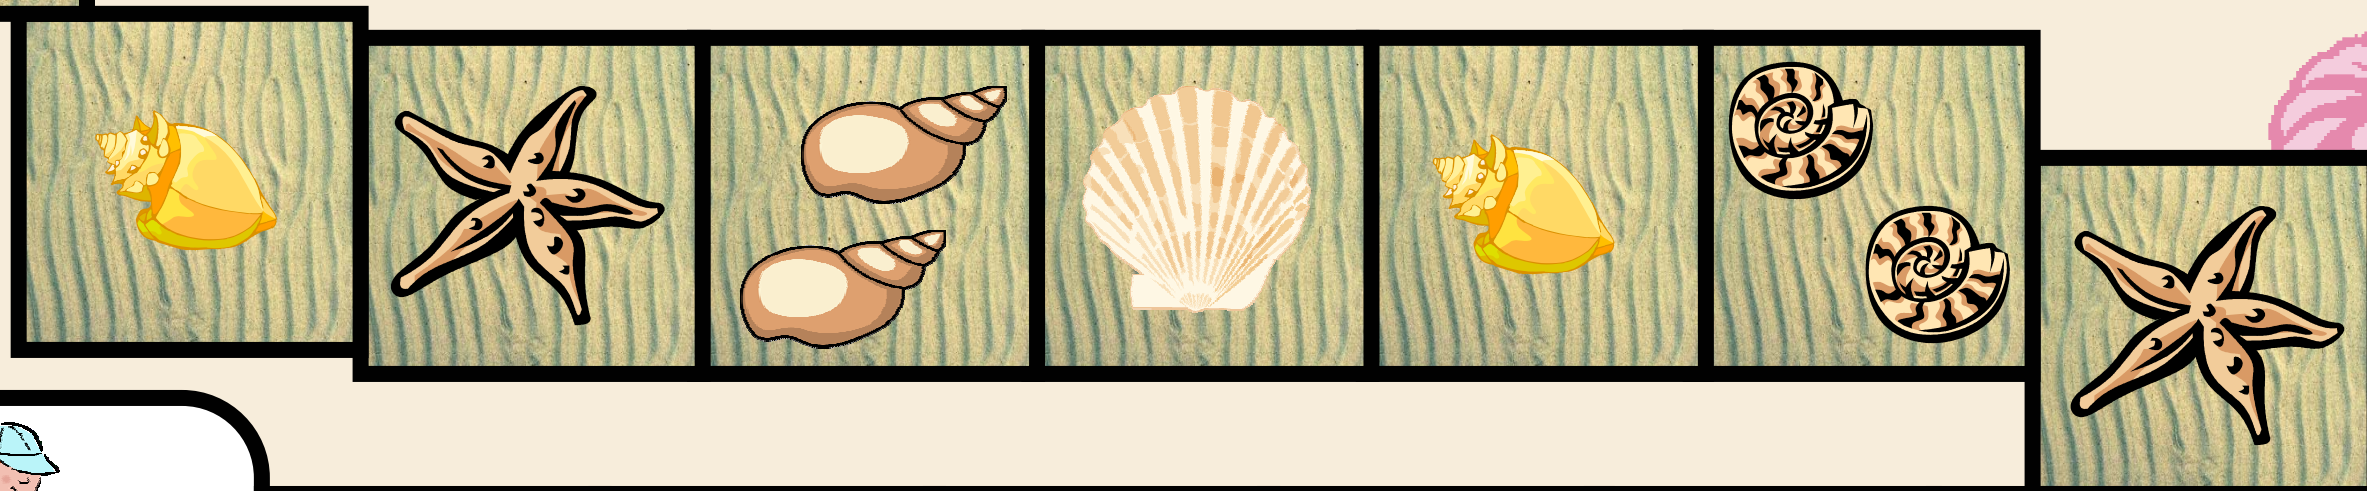

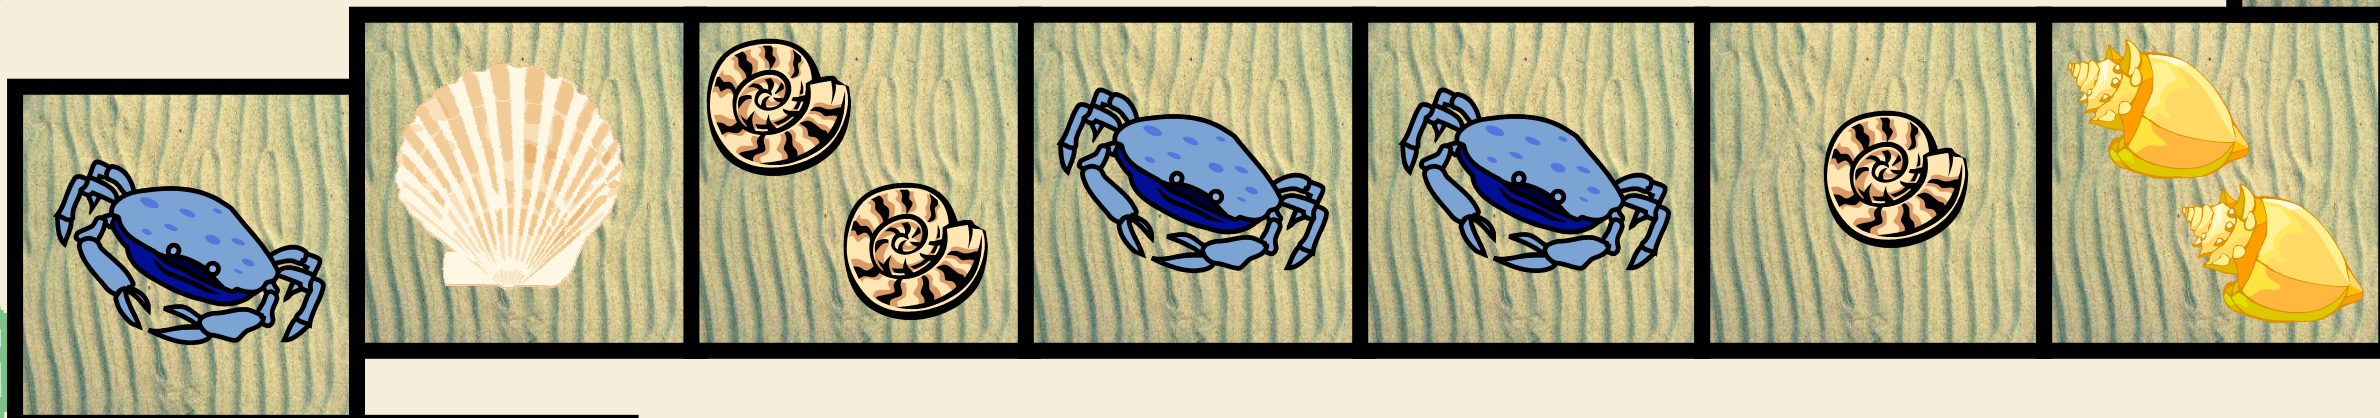

You will need: Game Board (A3), 2 sets of beach tokens per player, dice or spinner and coloured counters.

Instructions: Players move around the board collecting corresponding tokens as they go. There are six different tokens. The winner is the player, when all players have finished, with the most tokens in total but the game could be extended to a data handling activity if required
