

# Golden Rules for Group Work

Everyone helps  
to set up  
the activity

All contributions  
are valued

Nobody is left  
out of the  
activity

Only one person  
speaks  
at a time

We work together  
towards a  
shared goal

We always face  
the person who  
is speaking

We all treat  
each other  
with respect

Everyone helps  
to tidy away  
the activity
