Year 2, Block B, Unit 1

An illustration of five diverse children (two girls and three boys) standing in a grassy field under a blue sky with white clouds. They are holding a large white banner. The children are smiling and looking towards the viewer. The banner is held by the girl on the far left and the girl on the far right.

I can recall number facts
for each number up to 10.

Year 2, Block B, Unit 1

An illustration of five diverse children (two girls and three boys) standing in a grassy field under a blue sky with white clouds. They are holding a large white banner that contains text. The children are smiling and looking towards the viewer. The banner is held by the girl on the far left and the girl on the far right.

I know that if I double a number,
then halve the answer, I get back to
the number I started with.

Securing number facts, understanding shape

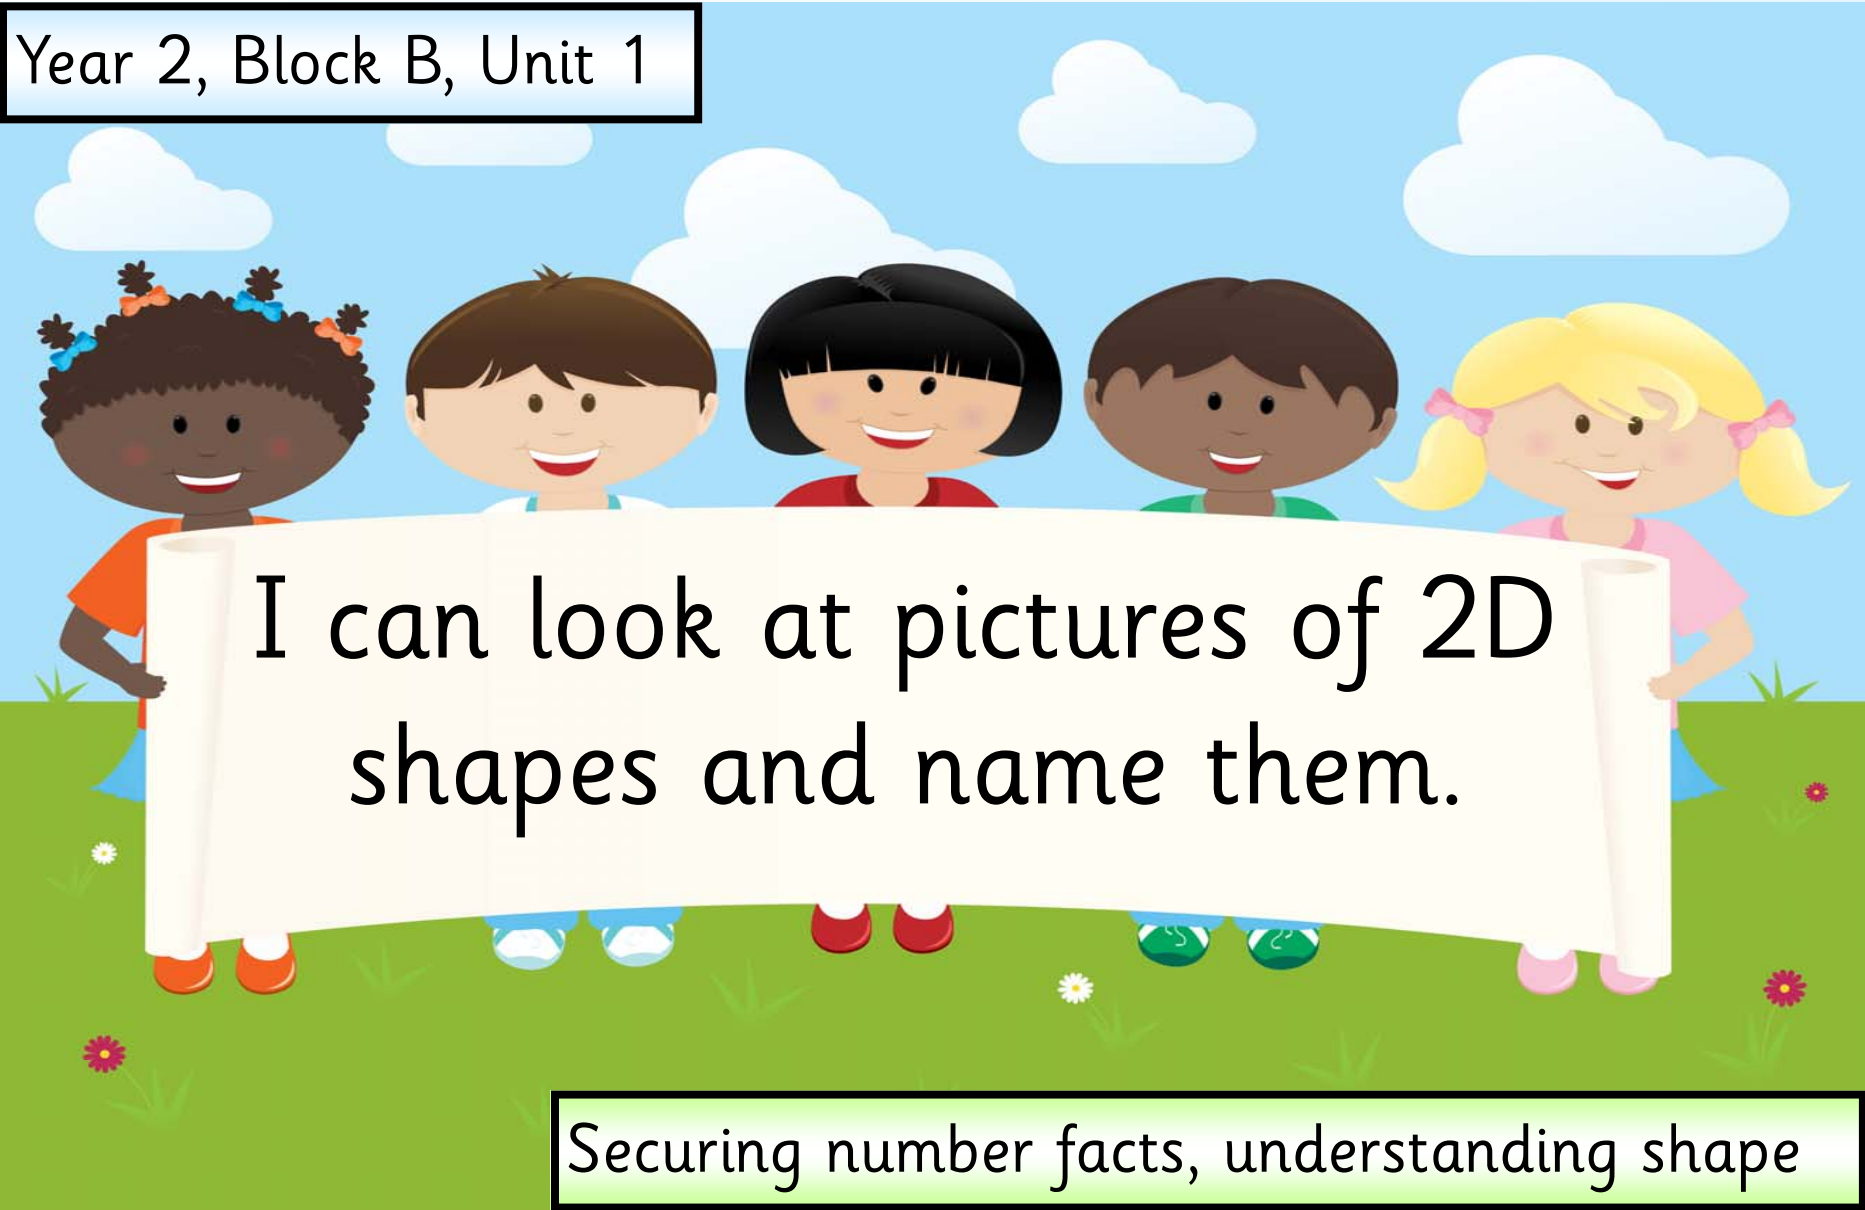

Year 2, Block B, Unit 1

I can check the answer to an addition by doing a related subtraction.

Securing number facts, understanding shape

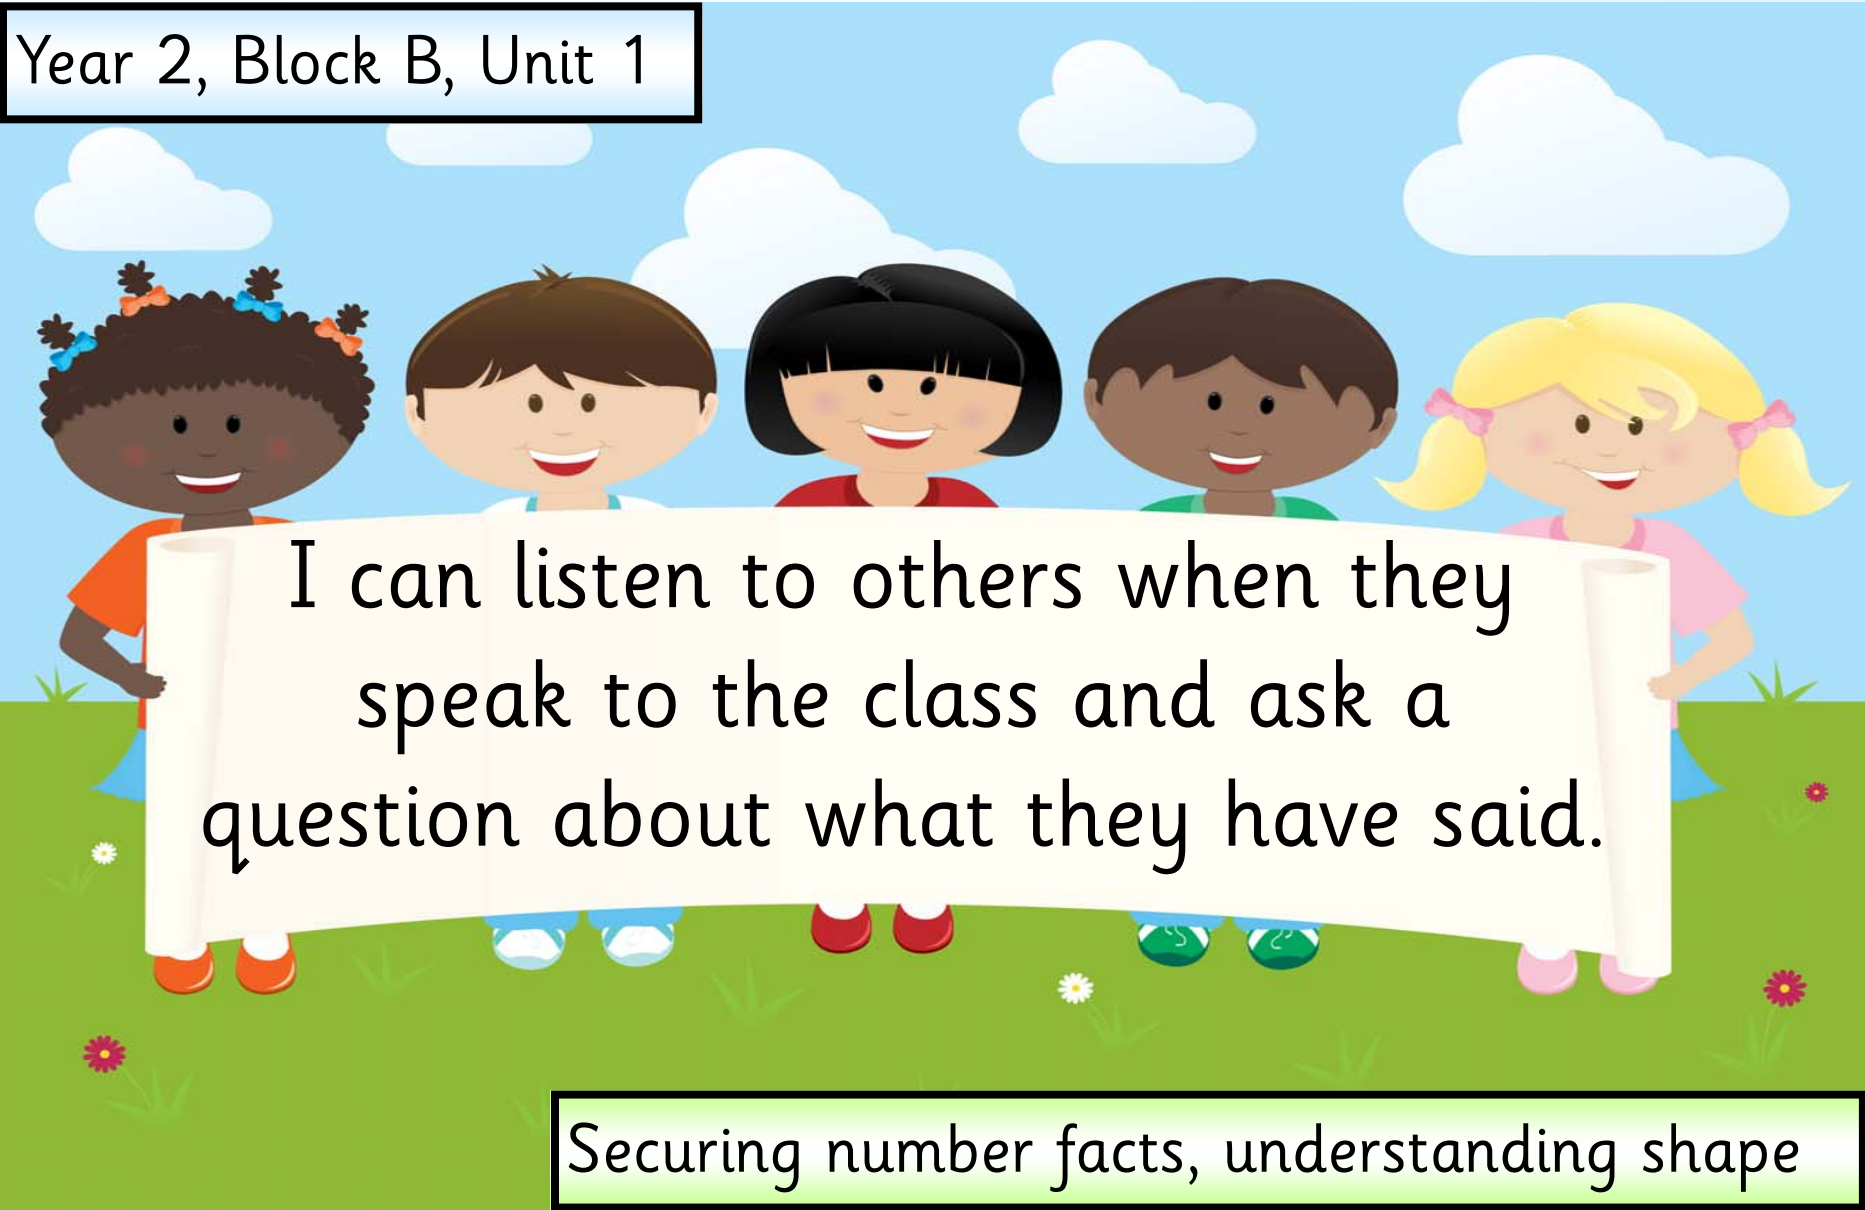

Year 2, Block B, Unit 1

I can look at pictures of 2D shapes and name them.
