

# All about sunflowers

[www.communication4all.co.uk](http://www.communication4all.co.uk)

gardening  
tools

sunflower  
seeds

plant a seed

water helps  
your plant  
to grow

the sun gives  
the plant  
warmth and light

the seed  
begins to grow

getting bigger

getting bigger

roots are  
growing into  
the soil

it keeps  
growing

the sunflower  
still needs water

the flower is  
going to open

we can see the  
petals

the sunflower  
looks beautiful

the sunflower  
grows towards  
the sun

this sunflower  
is very tall

seeds are in the  
middle of the  
flower

The sunflower  
dies, leaving lots  
of new seeds

we can plant  
the new seeds
